MEMORANDUM FOR : Special Assistant to the Director
for Planning and Development

THROUGH : Director of Administration, DPS/DCI

SUBJECT : Uncontrolled Publicity, Lockheed

1. The attached photograph was dispatched to Headquarters from EAFB and is forwarded for your information.

2. The DPS Cover Officer was queried concerning the possibility of any recent change in the publicity policy, and advised that to his knowledge no authorization had been given to SAC or to LAC for the publication of U-2 pictures.

3. I recommend that Headquarters retain control over all publicity given the U-2 and its mission. If you concur, I suggest we ask both SAC and LAC to avoid uncoordinated releases in the future.
